

Industrial Inks HP 45A* Cartridge

Vistakote announces a new family of ink jet cartridges specifically designed for the mailing and addressing industry utilizing the HP 45A Cartridge. Product offering includes Remanufactured Cartridges that replace the Hewlett-Packard Versatile Black Print Cartridge C8842A and Spot Colors C6168A (red), C6169A (green), C6170A (blue), and C6173A* (yellow).

Vistakote 45A Industrial Product Attributes**

Printer Compatibility

Any addressing printer that utilizes HP 45A cartridge technology

Color Match

Testing shows similar Vistakote colors closely match the OEM as well as the Pantone Matching System® colors in which HP uses as a reference. In many cases, Vistakote colors more closely match the target PMS color.

Durability

Vistakote inks are comparable to OEM specifications in water-fastness, rub resistance, and ink consumption

Fade Resistance

Fade resistance testing under UV exposure yielded comparable results to the OEM.

Additional Features & Benefits

- Significant cost savings
- Excellent performance, image sharpness and readability at each dpi setting
- Minimal maintenance required after extended periods of de-capped time
- Quick start-up times
- Ink is manufactured, and cartridge is remanufactured, at an ISO 9001-2000 and ISO 14001 certified facility in the USA using high quality components
- 100% quality guarantee

These Vistakote products have been tested on a wide range of substrates including but not limited to

- 28lb Heavy-duty Brown Kraft envelopes
- HP Brochure and Flyer Paper, Gloss Coated
- Tyvek 14lb envelopes
